Sir,

With reference to your docket No. 1452/Muz.302-14-2 dated 2-2-1915 and subsequent reminder No. 1702 dated 17-1-1917, calling for report on Dasara Representative Assembly subject No. 212 of 1914, regarding the disposal of old unserviceable jewels belonging to Sri Channakeswara Swami temple of Belur and invest-ment of the temple funds in the Government of India Securities at 4 %, I have the honor to state that the Amildar of Belur Taluk has reported that there are gold and silver ingots melted under the orders of the late Muzrai Superintendent Mr. Sreenivasa-Charalu and that there are no unserviceable jewels worth more than about Rs. 200/-. He adds that some jewels in use require urgent re-pairs and this has to be done out of the melted ingots preserved in the Treasury. He is however of opinion that there is no ob-jection to invest the temple funds in the Government of India Securities as suggested by the Dasara Representative Assembly Member.

2. But, the Sub Division Officer of Saklespur, has, in transmitting the Amildar's report to this Office, opined that he is not in favour of disposing of the ingots and investing the sale proceeds in the Government of India Securities. He proposes to have another set of jewels got prepared from these ingots.

As the correct value of the mealted gold and silver also that of the unserviceable jewels on hand has not been the Amildar's report, the same has been called for

with particulars of the accounts of the temple now held in Government of India Securities. On receipt of this information a further communication will be made to you on the subject.

I request you therefore to kindly obtain the sanction of Government to issue to me in the 1st instance about 0 tolas which could be sent over to the Palace Treasury for the preparation of the gold leaves.
